## FOR IMMEDIATE RELEASE

### **Panhandle Public Health District to host Next Perfect Blend on March 11, at 9:15 a.m. at 808 Box Butte Ave, Hemingford**

Box Butte Development Corporation (BBDC) invites the community to its next Perfect Blend event on Tuesday, March 11, at 9:15 a.m., hosted by Panhandle Public Health District (PPHD) at 808 Box Butte Ave, Hemingford. This monthly networking event provides an opportunity for businesses and organizations to share updates and connect with the community in an informal setting over coffee and snacks.

This month, attendees will hear from the team at PPHD about their mission to improve the health, safety, and quality of life for those who live, learn, work, and play in the Panhandle. The team will discuss their recent office remodel, the appointment of a new Health Director last fall, and the essential work they do across the region to support public health initiatives.

The event is free and open to the public. Whether you're a local business owner, community member, or simply interested in learning more about public health efforts in the Panhandle, this is a great opportunity to connect and engage.

Join us for coffee, conversation, and community connection. No RSVP is required, just stop by and be part of the discussion! If you have questions about the event, please contact BBDC Executive Director Hannah Robinson at **308-762-1800**.
